

EMS - Installation - Sous-Traitant - EN

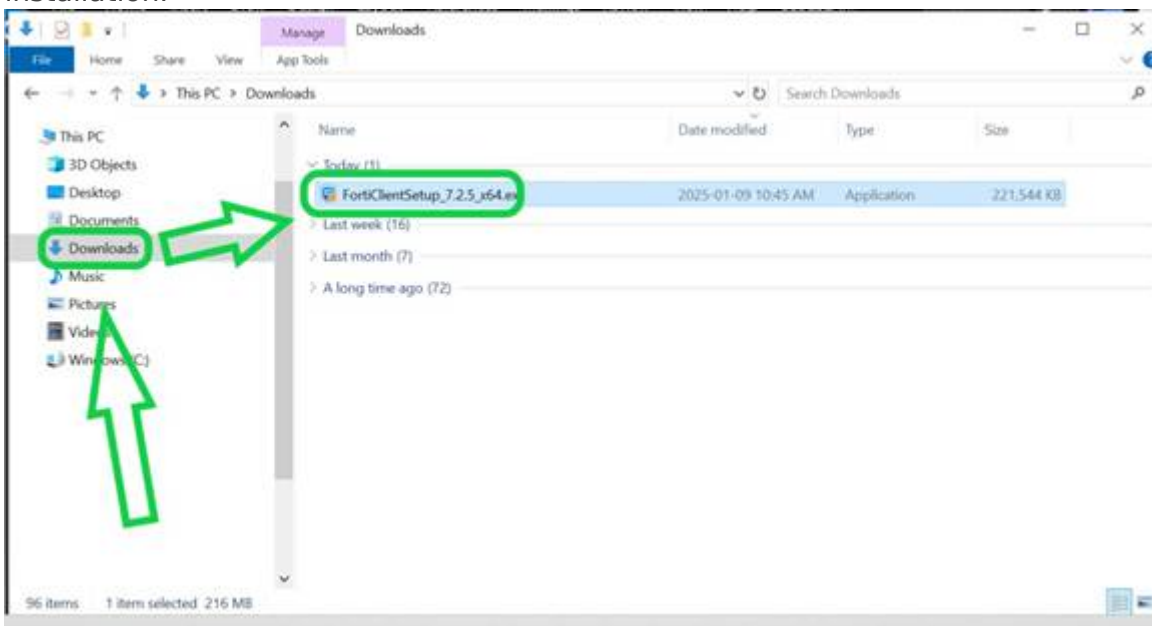

Object: EMS - VPN Installation for Subcontractors

Description

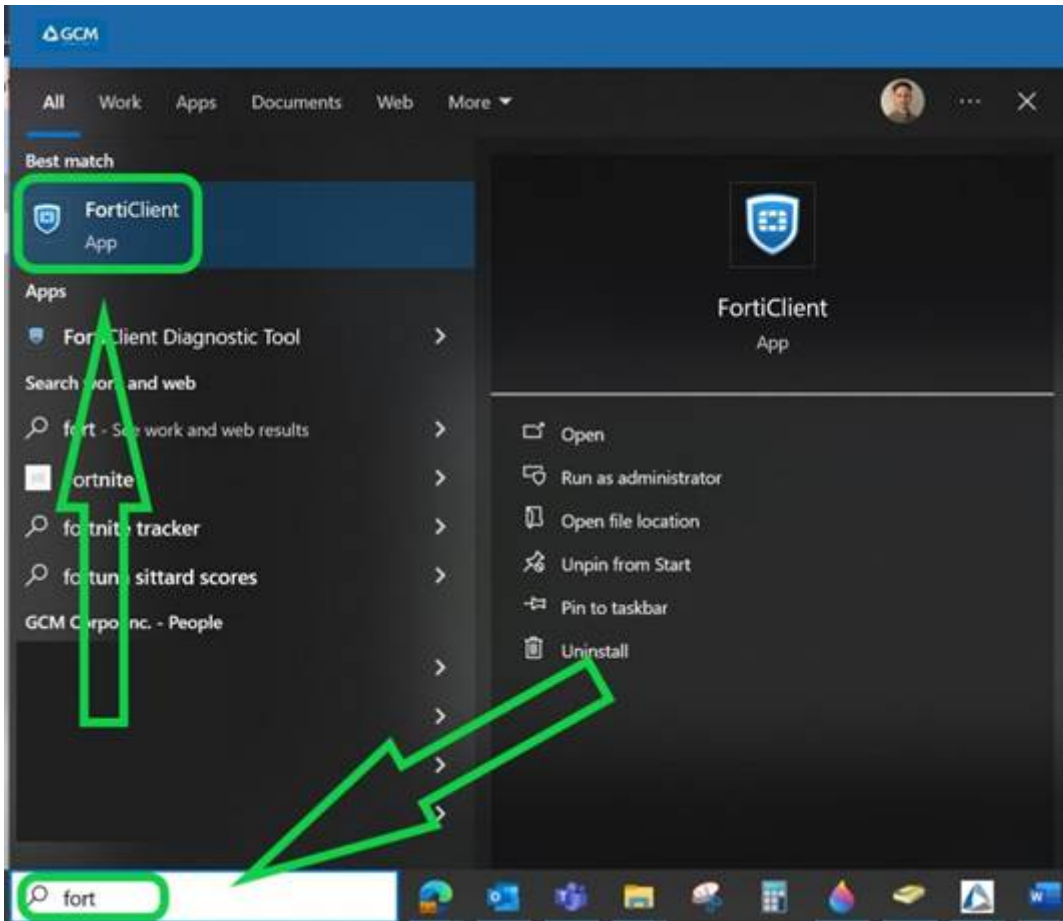

This guide provides the steps to download, install, and connect to the company's VPN using the FortiClient application.

Steps

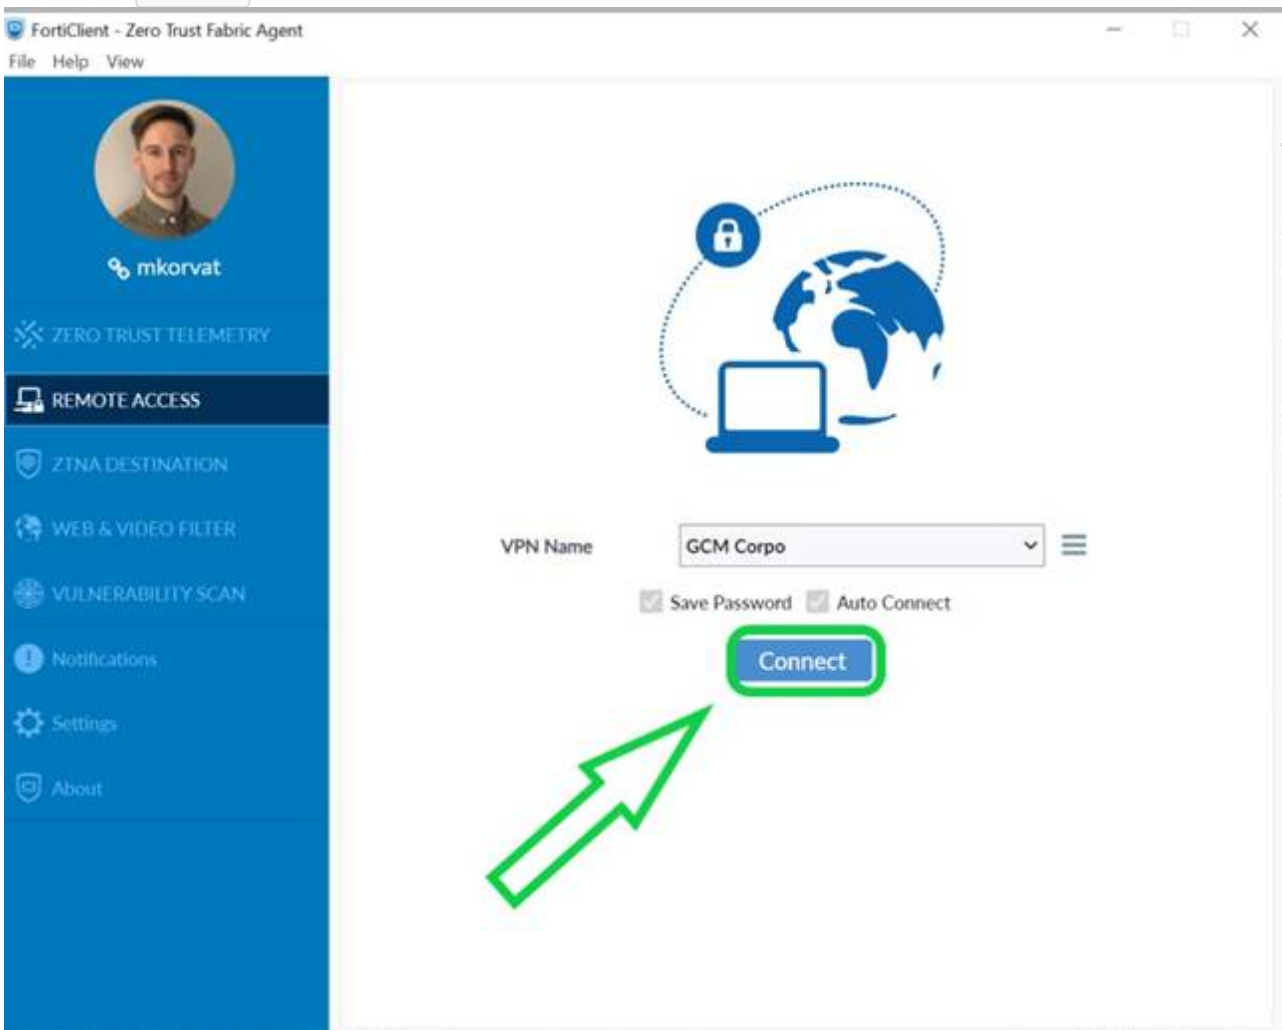

1. Download the VPN client by opening this link in your web browser:
https://ems.gcmconsultants.com:10443/installers/Default/SAML_VPN_SUPPLIER/FortiClientSetup_7.2.5_x64.exe
2. Open the downloaded file and follow the on-screen instructions to complete the installation.

3. Search for and open the `FortiClient` application on your computer.

4. Click the `Connect` button.
