

# Outlook - Phishing

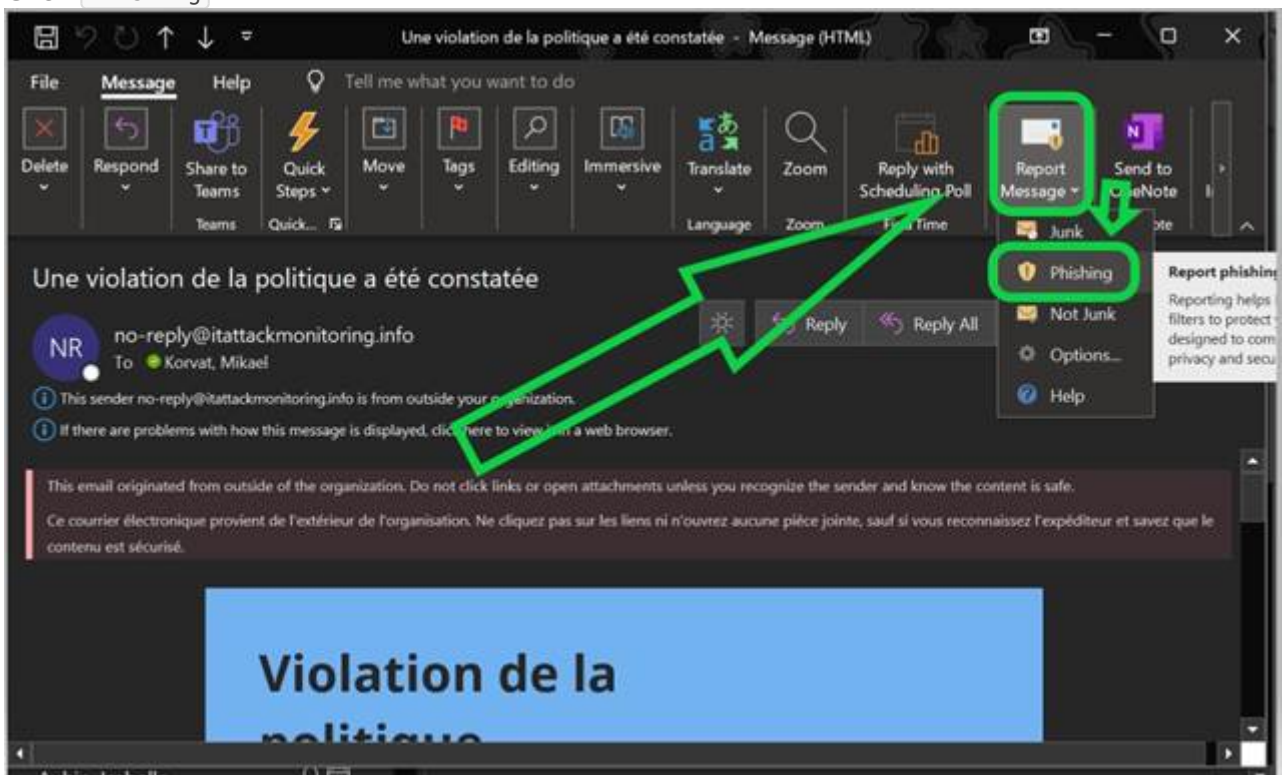

## Object: Report a Phishing Email in Outlook

### Description

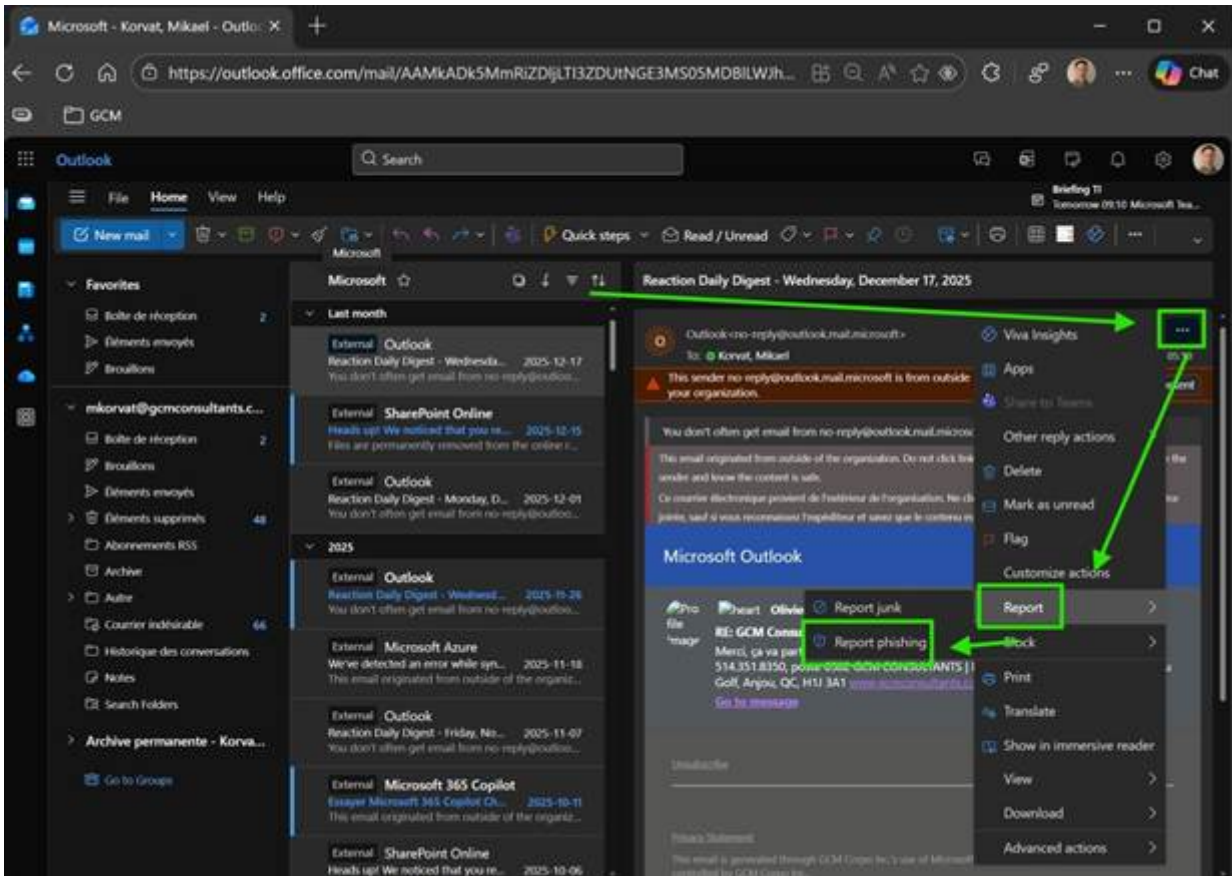

Follow these steps to report a suspicious email as phishing in the Outlook desktop application or the web version.

### Steps

1. In the Outlook desktop application, click `Report Message`.
2. Click `Phishing`.

3. In the Outlook web version, click the three dots (...).
4. Click `Report`.
5. Click `Report phishing`.
